Dear Dr Cuthbert

**GLASGOW AIRPORT RAIL LINK
ENVIRONMENTAL IMPACT ASSESSMENT - SCOPING ADDITIONAL INFORMATION**

I refer to your letter regarding the above dated 8 April 2005, which has been passed to me for a response.

I note that both sites are outwith the Glasgow City Council boundary.

Glasgow City Council's comments are as follows:

Elderslie Loop – no objections provided timetabled rail services to and from Glasgow are not adversely affected.

Glasgow Airport Fuel Farm – No objections.

Yours sincerely

Robert Booth
Director of Land Services
