Dear Sirs

Your Ref: **Glasgow Airport Link: EIA BACU/39055 IEE/G1**

Thank you for your enquiry of 08th April 2005.

The National Catalogue of Rights of Way does not show any rights of way in the vicinity of the link. The Catalogue is not complete and there could be other routes there that meet the necessary conditions but have never been recorded.

May I say that neither the Society nor its individual officers carries professional indemnity insurance and that in these circumstances any advice that we give, while given in good faith, is always given without recourse.

Yours faithfully

Jo Doake
